

## **Faith Formation & Outreach Committee Report**

The next Faith Formation & Outreach Committee meeting will be held on Tuesday, December 8 instant.

At that meeting, the planning and program will be finalized for Network Day. Basically, the content of the Network Day to be held at Eden United Church on Saturday, February 20, 2010 from 8 a.m. to 12.50 p.m. will strike a balance between the spiritual/theological awareness building and the practical implications of "Living with Respect in Creation." There will also be two workshops on Regeneration entitled: "Fresh Expressions." Soon after that, Registration Forms will be available .

The Vacation Bible School Project (VBS) for 2010 will also be finalized at the December 8 meeting in terms of having an overview for the Halton Presbytery as to the shape of VBS. Some financial help may be needed for those congregations who have some difficulty in terms of material and human resources.

The FF&O committee has been encouraging congregations to let "their voices be heard" to ensure that the Copenhagen Meeting on Climate Change ( including Pollution & Clean Energy) make decisions that will have a positive impact on our world.
