Halton Presbytery this evening was a NO BUSINESS gathering but for congregational involvement.

Strengthening and Growing 'Vital Congregations' is a key initiative of Halton Presbytery for the coming year. In January and March, Halton Presbytery will forgo its usual meeting format in order to host leadership & learning opportunities for leaders of Pastoral Charges in Halton Presbytery. On Tuesday January 24th from 7 – 9 pm at St. Paul's United in Oakville, Judith Gilliland, Congregational futures Development Minister of London Conference was our presenter. The Agenda for this evening was TOOLS FOR CULTIVATING AND NURTURING VITAL, HEALTHY MINISTRY.

Those guests attending were *leaders from congregation in the areas of Long Range Planning, Transition Teams, Adult Faith Formation Teams and Development Groups.*

This open meeting provided opportunities to network with members of other congregations in Halton, to experience worship, and to be given some resources to help us understand the Life Cycles of the Church. All material used this evening will be e-mailed to all members of Presbytery.

There was no 'business' conducted at the meeting.

Thanks to Kathy Toivanen, Peter Hoyle and John Hogman for their leadership.

Refreshments were enjoyed, provided by Shirley Gray and her sister Carol from Appleby United Church.

PRESBYTERY OF HALTON
