**Tuesday, January 26<sup>th</sup> 4:00 pm**

At this month's 4<sup>th</sup> at 4, Rev. Dr. Dale Skinner will share some of what he learned during his doctoral studies at Drew University. Focusing on the subject of Christian 'Futuring,' Dale will be offering a theological basis for painting churches toward the future and suggesting alternative directions regarding church planning. Attention will be given to common stumbling blocks churches and leaders face as they move into the future. Topics for discussion will include: ways in which the Bible views the future; trend tracking; planning; and learning the "post-modern" mindset. Dale hopes this will help provide an optimistic, transformative, postmodern theology of "becoming" rather than mere stylistic tinkering, and a practical "operator's manual" to the future.
