

For approval at the June 1st. meeting.

A Mandate for REGENERATION

In response to the request from the Executive as per a motion on Page 10-015 of February 2nd minutes the Regeneration Task Force is pleased to present the following **mandate**.

VISION

Our vision is **to be a catalyst** within Halton Presbytery, to enable regeneration and revitalization of the Presbytery and congregations within Presbytery.

TASKS:

- Encourage strong and supportive relationships among the Order of Ministry
- Strive to create a climate and culture that fosters regeneration in congregations
- Identify opportunities for congregational leadership to experience possible initiatives that could help them in their role of growing disciples; this could be done through...
- Developing large group events for education and inspiration of our clergy and lay leadership. These could be special conferences with guest experts, workshops and seminars, unique worship events.

STAFFING NEEDS

- Talent for **creative thinking**
- Ability to **visualize new projects** or programs
- Project **planning and execution**
- **Connection with and understanding of** special target groups (Youth Culture, twenty-somethings, and the 'unchurched').
